CDS ENTERED OCT 13 1992 dm

Dear Mr. Sandusky,

In response to your request of September 25, 1992:

1. David Hauck took over as Chief Engineer at American Linen Supply Co.-Minneapolis in January of 1991 and was not aware of the MPCA requirement to obtain a permit for modification or construction of new boiler room equipment.
2. American Linen Supply Co. will not do any further modification and construction prior to obtaining a permit.
3. American Linen Supply Co. has complied with the request that all American Linen Supply managers and other appropriate Company staff have read, understand and will comply with federal regulations, state rules, and MPCA air emission permits regarding the operation of their facility.

Sincerely,

*David Hauck*  
David Hauck  
Chief Engineer
